Program

12:00-12:10	Welcome
	<i>Session 1: CABMM Start-up Grant</i>
12:10-12:40	<i>“Analysis of topographic differences in synovial fibroblasts”</i> PD Dr. Dr. Caroline Ospelt, Center for Experimental Rheumatology, University Hospital Zurich, Switzerland
12:40-13:10	<i>“Investigation of the inflammatory processes associated with canine intervertebral disc herniation”</i> Prof. Dr. Franck Forterre, Department of Clinical Veterinary Medicine, University of Bern, Switzerland
13:10-13:40	<i>“Development of a slow release system to reduce inflammatory processes in the degenerated intervertebral disc”</i> Dr. Olga Krupkova, Laboratory for Immunoengineering and Regenerative Medicine, ETH Zurich and Clinic for Small Animal Surgery, University of Zurich, Switzerland
13:40-14:00	Coffee Break
	<i>Session 2: Burn Wound Treatment – from the Clinic to the Lab and Back</i>
14:00-14:50	<i>“The B5 Platform: Developing biological antibacterial burn wound bandages”</i> Prof. Dr. Lee Ann Laurent-Applegate, Regenerative Therapy Unit, University Hospital Lausanne, Switzerland
14:50-15:20	<i>“Burn wound exudates: Unlocking the burn wound microenvironment”</i> Dr. Paris Jafari, Regenerative Therapy Unit, University Hospital Lausanne, Switzerland
15:20-15:50	<i>“Novel antimicrobial peptide dendrimers against multi-resistant bacteria”</i> PD Dr. Tamis Darbre, Department of Chemistry and Biochemistry, University of Bern, Switzerland
15:50-16:10	Coffee Break
	<i>Session 3: Technology Transfer in Research and Development</i>
16:10-16:40	<i>“The Clinician’s view: Mediating R&D for cost effective treatment options”</i> Dr. Harry Gebhard, Spinal Orthopedics, Kantonsspital Baselland, Liestal, Switzerland
16:40-17:10	<i>“Establishing the BoneWelding® Technology in the Spine – Regulatory and Scientific Challenges”</i> Dr. Jörg Mayer, Managing Director, SpineWelding AG, Schlieren, Switzerland
17:10-17:50	<i>“Idea to market – pitfalls on the way to get there”</i> Prof. Dr. Thomas Steffen, Orthopedic Research Laboratory, McGill University Health Centre, Montreal, Canada
17:50-18:00	Concluding Remarks
18:00	Apéro
